Description

Exceptional Luxury Sea View Apartment for Sale on the Rive of Trieste

Trieste, with its unique charm, tells tales of the sea and wind, of intersecting cultures and historical elegance. In the heart of this enchanting context, we offer a real estate gem like no other: an apartment located on the famous "Rive", the beating heart of Trieste's seafront.

Imagine waking up every morning with the view of the small harbor, the "sacchetta", where leisure boats sway gently on the water, cradled by the sea breeze. The location is simply the most exclusive in the city, an enviable position that few can boast.

The residence is located within a historic building, a testament to the elegance and majesty of Trieste's past, but thanks to targeted interventions, it remains in perfect condition. The apartment, with its generous 272 sqm, was radically renovated a few years ago. Despite the deep respect for its historical roots, the home offers modern and luxury solutions that make it ready to embrace everyday life.

Inside, you will find three spacious double bedrooms, spaces designed to ensure comfort and privacy. The main suite is a real dream, equipped with an en-suite bathroom and a large walk-in closet. Two more bathrooms, one with a bathtub, complete the sleeping area, while the separate laundry offers functionality and practicality. The modern and well-equipped kitchen opens onto a double living room, where the windows paint living pictures with the sea view.

But what truly makes this apartment unique is the view. Every day you can witness a constantly evolving masterpiece of nature: the colors of the sunsets over the sea, the changing tides, and the play of light and shadow on the water.

For those who want to delve deeper and have an immersive experience before visiting, we have created a detailed 3D tour and several promotional videos, available in both Italian and English, all viewable on the TriesteVillas.com website.

Seize this opportunity: it might be the most valuable apartment currently available on the Trieste market. A true gem, ready to welcome its new lucky owners.
